

Memorandum

CITY OF DALLAS

DATE April 3, 2015

TO Members of the Budget, Finance & Audit Committee: Jerry R. Allen (Chair),
Jennifer Staubach Gates (Vice-Chair), Tennell Atkins, Sheffie Kadane, Philip T. Kingston

SUBJECT Upcoming Agenda Item: Worksoft Maintenance and Support Contract

The April 8, 2015 Council Agenda will include an item to renew the contract to purchase Worksoft Certify licenses including maintenance and support for a five-year period to Worksoft, Inc. in an amount not to exceed \$318,218.00.

The Worksoft Certify software automates and accelerates the quality assurance/testing and validate application changes. Worksoft identifies coding defects before they enter the production environment and validates business process workflows. It replaces time consuming manual processes with an automated solution that improves quality, shortens delivery timelines and decreases the risk of moving faulty software changes into production.

Please contact Bill Finch at 670-1890 if you have any questions.
