SUBJECT

A resolution authorizing an increase to the Interlocal Agreement with Dallas County, Texas ("County") on behalf of the Dallas County Elections Department for assistance and services related to verifying a City petition - Not to exceed \$13,111.68, from \$50,287.76 to \$63,399.44 - Financing: General Funds

BACKGROUND

Chapter 31, Subchapter D, of the Texas Election Code provides that the City may contract with the county elections administrator for certain election services. The elections administrator first provides an estimate to each participating jurisdiction which is required to be paid in advance. Following the election, the elections administrator performs an election audit and will either (1) bill each participating jurisdiction for any additional amount owed, less the cost estimate paid; or (2) issue a refund in the event the cost estimate paid by participating jurisdictions exceeded the actual cost.

The Dallas County Elections Department (DCED) provided the City a cost estimate of \$50,287.76 for assistance and services related to verifying a City petition. On June 13, 2018, City Council authorized the payment (paid to DCED on June 15, 2018).

On August 27, 2018, the City was notified by DCED that the final cost analysis had been completed, resulting in an increase from the initial estimate provided. This action authorizes payment of the increase to the estimated cost. The final cost is \$63,399.44; an increase of \$13,111.68 from \$50,287.76.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

WHEREAS, on August 27, 2018, the Dallas County Elections Administrator, having conducted its audit, notified the City Secretary's Office of additional assistance and services costs for verification of the City petition for a grand total cost of \$63,399.44; which necessitates an increase in the services contract with the Dallas County Elections Administrator.

STRATEGIC PRIORITY: Government Performance and Financial Management

AGENDA DATE: September 5, 2018

COUNCIL DISTRICT(S): N/A

DEPARTMENT: City Secretary's Office

EXECUTIVE: Bilierae Johnson

SUBJECT

A resolution authorizing **(1)** a joint election agreement and election services contract between the City of Dallas, Dallas County, and various other jurisdictions within Dallas County, for the conduct of a joint election to be held on Tuesday, November 6, 2018, in an amount not to exceed \$52,000.00; **(2)** legal advertising in connection with the Tuesday, November 6, 2018 City Special Election, in an amount not to exceed \$8,000.00; and **(3)** \$300.00 for translation services for publication and posting notices related to the election - Total not to exceed \$60,300.00 - Financing: Contingency Reserve Funds

BACKGROUND

Subchapter D of Chapter 31 of the Texas Election Code provides the City may contract with the county elections administrator for certain election services. Chapter 271 of the Texas Election Code provides that the City may enter into an agreement with other jurisdictions that may be conducting elections on the same day in election precincts that can be served by common polling places. The City of Dallas, Dallas County, and other Dallas County political jurisdictions will conduct elections on Tuesday, November 8, 2016. This action authorizes the City to hold the election jointly with jurisdictions that share common polling places and contract with the Dallas County Elections Department for election services, including the selection, training and compensation of precinct election judges, subject to the approval of the City and the other contracting authorities. For any election held on the November Uniform Election Day, political jurisdictions are required to use only county polling places. Therefore, the City may only contract with Dallas County Elections Department to handle only those polling places that are within their county.

On August 15, 2018, the City Council adopted Ordinance No. 30955 ordering a special election for Tuesday, November 6, 2018 for the purpose of electing one member to the city of Dallas to be designated as Member of Council, Place 04 for the unexpired term ending June 17, 2019.

Dallas County performs a post election audit. The need may exist to request additional funds based on the result of the post-audit.

Stemmons Frwy, Suite 820, Dallas, Texas, the Elections Administrator will test the DRE voting system and the automatic tabulating equipment used for counting ballots at the central counting station. On **Wednesday, October 10, 2018** at 10:00 A.M. at the County Election Equipment Warehouse at 1506 East Langdon Road, Hutchins, Texas, the Elections Administrator will test the optical scan voting system. At least 48 hours before the date and hour of each test, the Elections Administrator will publish a newspaper notice with the date, hour, and place of the testing. - b) Whenever possible, previously used polling places that voters are accustomed to using will be used for the election precincts and partial election precincts in this General (Gubernatorial) and Joint Election; however, the Participating Political Subdivisions acknowledge that sometimes previously used polling places are not available or appropriate for every election. Accessibility under the Americans with Disabilities Act is an important consideration for all polling places in this General (Gubernatorial) and Joint Election.
- c) For polling places that have changed since the most recent election ordered by a Participating

Election Services Contract for General (Gubernatorial) and Joint Election on Tuesday, November 6th, 2018

If the request is approved and a Participating Political Subdivision requests that a person not listed in “Attachment E” be appointed to serve in a specific polling place, but another Participating Political Subdivision requests that a different person be appointed to serve that same polling place, a drawing by lot shall be conducted from the recommendations, no later than **Thursday, September 6, 2018** to resolve the conflict and notify each Participating Political Subdivision affected of the resolution. After the Elections Administrator notifies a person so selected by lot of the polling place where the person will serve, the Elections Administrator is not required to act on further such requests from the Participating Political Subdivisions for that specific polling place.
 - c) If a person appointed as a presiding election judge or alternate election judge becomes ineligible to serve as such in this General (Gubernatorial) and Joint Election, then the Election Administrator will appoint a replacement presiding election judge or alternate election judge, amend “Attachment E” accordingly, and send each Participating Political Subdivision the amended “Attachment E” by email within five (5) business days.

If the Elections Administrator is unable to recommend an individual to provide interpreter assistance for such a precinct, the Elections Administrator will notify the Participating Political Subdivision and request assistance in identifying an interpreter. In the event that a bilingual election clerk is hired by the Elections Administrator for a precinct required to have interpreter assistance, the bilingual clerk will be paid according to a rate set by the Elections Administrator. The Elections Administrator will charge that expense to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in this Election Services Contract. A Participating Political Subdivision may pay more money to a bilingual clerk than the rate set by the Elections Administrator, however that expense will be borne by that Participating Political Subdivision individually and that extra expense will not be charged to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in this Election Services Contract.

Payments for the presiding election judge will be specified in "Attachment A."
- k) Any Participating Political Subdivision electing to pay their election workers for attending a training class or lab must bear that expense separately from the funds deposited into this General (Gubernatorial) and Joint Election account.
- l) The Elections Administrator will employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies and equipment assistance during the period of Early Voting and on Election Day, and for the efficient tabulation of ballots at the central counting station and regional sites. The Elections Administrator will use these electronic forms received from the Participating Political Subdivisions to create the ballot styles for this General (Gubernatorial) and Joint Election. The Elections Administrator will deliver the proposed ballots to the Participating Political Subdivisions for approval. Each Participating Political Subdivision will be responsible for proofreading the proposed ballots and notifying the Elections Administrator of any corrections that are required for their particular ballots. The Unit Cost will be determined by dividing the total of the itemized list of estimated election expenses by the total number of

polling places. A “Polling Place” will be identified by and defined based on the presence and number of M100’s and/or Election Supply Carts (“ESC”). Any Participating Political Subdivision that requests a different combination of precincts in polling places that exceeds the Unit Cost will be billed directly for any excess expenditures (e.g. supplies, equipment, personnel, etc.). **The cost of any special request from a Participating Political Subdivision, which is not agreed upon by all Participating Political Subdivisions, will be borne by the Participating Political Subdivision making the special request.** Each Participating Political Subdivision agrees that no Participating Political Subdivision will be billed less than the minimum of one full unit cost as specified in “Attachment A.”

The Participating Political Subdivision shall pay the Final Bill within thirty (30) days of receipt except for any amount the Participating Political Subdivision files a timely good faith dispute under Section 17 of this Election Services Contract. After all of the expenses of this General (Gubernatorial) and Joint Election are paid and disputes, if any, resolved, any monies that remain in the account maintained by the Dallas County Treasurer for this Election Services Contract will be refunded to the Participating Political Subdivisions (the “Refund”) as soon as practicable.

Such an extension must be sought in writing and prior to due date for such deposit by the Participating Political Subdivision. In the event of a partial withdrawal from this General (Gubernatorial) and Joint Election, deposits will not be refunded to the Participating Political Subdivisions.

receiving copies of the certifications and declarations that are required under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code.

- d) If there are any withdrawals from this General (Gubernatorial) and Joint Election, within ten (10) business days after the deadline for Participating Political Subdivisions to make declarations under Subchapter C, or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code, said deadline being **Monday, August 28, 2018**, the Elections Administrator will amend the attachments to this Election Services Contract as appropriate and provide updated copies of the amended attachments to all of the remaining Participating Political Subdivisions.

17) AUDITING AND PROHIBITION ON WITHHOLDING OF DEPOSITS

- a) The Dallas County Auditor will conduct a review of the deposits and expenditures related to this Election Services Contract before the Final Bill or Refund is submitted to the Participating Political Subdivisions. Refunds will be submitted as soon as practicable.
- b)
- c) The Participating Political Subdivisions may request a financial audit of the Final Bill or Refund or dispute the Final Bill or Refund under this Section, if: 1) the Final Bill exceeds ten percent (10%) of the amount of the Participating Political Subdivision's initial deposit as required in "Attachment A" to this Election Services Contract; or 2) the accounting accompanying the Refund is ten percent (10%) less than the amount the Participating Political Subdivision determines, should be refunded, after its good faith review. The request for a financial audit or dispute must be done in accordance with Section 17 (d) below.
- d) Should the events in Section 17 (b) occur, in lieu of an audit or dispute, the Participating Political Subdivision may make a request that the Elections Administrator ask the Dallas County Auditor to review the cost allocation methodology for the Participating Political Subdivision's Final Bill or Refund ("Review Request"). The Participating Political Subdivision's must submit its Review Request to the Elections Administrator within five (5) business days of receipt of the Final Bill or the Refund, whichever is later. The Review Request must set forth, in detail, the basis for any challenge to the Final Bill or Refund. Corrections to the Participating Political Subdivision's Final Bill or the Refund, based on a Review Request, will be determined at the sole discretion of the Elections Administrator. A Review Request does not extend the timeframe in Section 17(d).
- e) Should the circumstances giving rise to an audit or dispute in Section 17 (b) occur, the Participating Political Subdivision may send a formal written notice of dispute of the Final Bill or Refund ("Dispute Notice") to the Elections Administrator. This Dispute Notice must be received by the Elections Administrator no later than thirty (30) calendar days from the date the Participating Political Subdivision receives the Final Bill or Refund. This Dispute Notice must provide: 1) an itemization of the disputed charge(s) by the Participating Political Subdivision; 2) the basis for the dispute; 3) the methodology showing how the Participating Political Subdivision arrived at the amount disputed; and 4) documentation in support thereof. The Participating Political Subdivision will have no right to withhold any undisputed amounts set forth in this Election Services Contract or reflected in the Final Bill. Payment of undisputed amounts in the Final Bill must be made by the Participating Political Subdivision as set forth in Section 10 (e) of this Election Services Contract.

- f) Failure of the Participating Political Subdivision to submit a timely Dispute Notice, as set forth in Section 17(d), shall waive any and all disputes, claims, or challenges to the Final Bill or Refund by the Participating Political Subdivision. The entire amount of the Participating Political Subdivision's Final Bill shall be due immediately; or, any estimated refund amounts will become final.
- g) If the Participating Political Subdivision files a timely Dispute Notice in compliance with Section 17(d), the Participating Political Subdivision will have the right to conduct a good faith financial audit ("Financial Audit") for the deposits and expenditures related to this Elections Services Contract. In conducting the Financial Audit, the Participating Political Subdivision will have no greater right to demand access to or copies of the County's governmental or election records than those rights specified in the Texas Election Code and the Texas Public Information Act. The cost of any Financial Audit conducted by the Participating Political Subdivision shall be borne by the requesting Participating Political Subdivision and may not be paid for with funds deposited with the Dallas County Treasurer under this Election Services Contract. Further, the Participating Political Subdivision conducting the Financial Audit shall pay the Elections Administrator the reasonable costs for time expended and copies provided in order to perform the Financial Audit. If the Financial Audit identifies overcharges by the Elections Administrator of more than ten percent (10%) of the initial deposit amount required by "Attachment A", the Elections Administrator will review and assess the findings of the Financial Audit and will negotiate, in good faith, to resolve any disputes for overcharges with the Participating Political Subdivision. The Elections Administrator shall not be bound by the findings or recommendations of the Participating Political Subdivision's Financial Audit. The financial records will be retained at the County Election Administrator's office until the conclusion of the Financial Audit and resolution of all outstanding audit disputes.
- h) In the event the representatives of the Participating Political Subdivision and the Elections Administrator cannot agree on the amount of the disputed Final Bill as set forth in this Section, then the Parties may agree to submit to non-binding mediation. If mediation is acceptable to both parties to resolve a dispute concerning the disputed Final Bill, the parties will agree to use a mutually agreed-upon mediator. Unless the parties come to a written agreement at mediation, the mediation will not constitute a final and binding resolution of the dispute.
- i) The Participating Political Subdivision acknowledges that the practical effect of the Participating Political Subdivision withholding undisputed funds that are required under this Election Services Contract would result in breach of this Elections Services Contract and the other Participating Political Subdivisions' taxpayers subsidizing the withholding Participating Political Subdivision's election expenses.

STRATEGIC PRIORITY: Government Performance and Financial Management

AGENDA DATE: September 5, 2018

COUNCIL DISTRICT(S): N/A

DEPARTMENT: Office of Budget

EXECUTIVE: Elizabeth Reich

SUBJECT

A public hearing to receive comments on a \$0.7779/\$100 property tax rate for the 2018-19 fiscal year as discussed on August 22, 2018; City Council will vote to adopt a tax rate on Tuesday, September 18, 2018 at Dallas City Hall, 6ES at 9:00 a.m. - Financing: No cost consideration to the City

BACKGROUND

On August 22, 2018, City Council authorized public hearings to be held on Wednesday, September 5, 2018 and Wednesday, September 12, 2018 to receive comments on a proposed tax rate of \$0.7779/\$100; and a proposal to consider adoption of a \$0.7779/\$100 valuation tax rate or a lower rate as may be proposed by the City Council on September 18, 2018. To set a property tax rate above the FY 2018-19 calculated effective rate of \$0.7391/\$100, State law requires two special public hearings on the tax rate.

On August 29, 2018, City Council discussed amendments to the FY 2018-19 Budget including a possible reduction of the FY 2018-19 proposed tax rate authorized on August 22, 2018.

Memorandum

CITY OF DALLAS

DATE August 31, 2018

TO Honorable Mayor and Members of City Council

SUBJECT **FY 2018-19 and FY 2019-20 Biennial Budget Amendments**

On Wednesday, September 5, 2018, the City Council will meet to take up three items related to the FY 2018-19 budget, among other business.

First, Jack Ireland, Director of the Office of Budget, will recap the amendments that the City Council considered and supported on August 29, 2018. A one-page list of the amendments and the full briefing are attached for your review.

Following the briefing, the Mayor will entertain a motion to approve the proposed FY 2018-19 City of Dallas Operating, Capital, and Grant & Trust Budgets on first reading. This must occur, per the City Charter, so that we can provide adequate public notice of the budget under consideration. Following approval of the budget on first reading, the appropriation ordinance will be published in the official newspaper of the City with a separate schedule setting forth the items in the manager's estimate which were omitted or changed by the City Council, if any.

The budget ordinance that we have posted for consideration on first reading consists of the City Manager's recommended budget as amended by the six amendments that received a majority support of City Council on August 29.

Once a motion to approve the budget is made, Council Members will have the opportunity to make motions to amend the budget. The subsequent votes on these amendments will not be straw votes; they will be official votes, the outcome of which will determine what is printed in the newspaper for the public to examine. Additionally, the final vote to approve the budget on first reading is an official vote.

As we understand it, Council Member McGough is working on an amendment regarding police and fire compensation. Additionally, Council Member Kingston proposed an amendment on August 29 that reduced the Youth Commission budget from \$100,000 to \$50,000 and used the funds for tax reduction. That amendment only received seven votes in favor; however, while it is not included in the draft ordinance we have posted at this time, we anticipate that if the amendment is reintroduced, it will pass.

To facilitate the amendment process, please submit these and any additional amendments you would like the City Council to consider to me and Jack Ireland by noon on Tuesday. Please use the same template as before to provide a balanced source and

use of funds. We will compile and send a list of all proposed amendments to the City Council on Tuesday evening, and post them online for the public.

The third budget-related item on the agenda for September 5 is a public hearing on the tax rate.

The City Council is scheduled to pass the appropriation ordinance on final reading on September 18, 2018 which is at least 10 days after publication of the ordinance. The City Council may consider additional amendments at any time prior to passage of the appropriation ordinance on final reading on September 18, 2018.

Please contact me if you have any questions or concerns.
