CITY OF DALLAS

DATE August 17, 2018

TO Honorable Mayor and Members of the City Council

SUBJECT **FY 2017-18 Financial Forecast Report**

Please find attached the Financial Forecast Report (FFR) based on information through June 2018. This report forecasts revenues and expenditures to the end of the current fiscal year (9/30/18).

After nine months of this fiscal year, we forecast general fund revenues will be \$8.8 million over the amended budget and expenses will be \$991,000 over the amended budget. Sales tax, franchise fees, and other charges for service are trending better than budget, accounting for the revenue variance. On the expense side, the projected year-end variance is due to overtime usage within Dallas Fire-Rescue (DFR).

DFR continues to refine year-end projections and is forecast to exceed budget by \$10.0 million, primarily due to attrition, which has a negative impact on the Department's daily minimum staffing model. As the Department continues to catch-up from excessive attrition of 182 firefighters last year and an estimated 154 firefighters this year, it is using overtime to meet the daily minimum staffing requirement. On April 25, City Council increased the general fund budget by \$3.7 million to offset DFR's overtime expense with savings from other general fund departments. We plan to use additional year-end savings from other general fund departments and excess revenue to cover the remainder of DFR's overtime.

On September 4, we will brief GPFM on a complete package of FY 2017-18 appropriation adjustments. We will also prepare an agenda item for City Council consideration in September to amend the current year budget.

Details related to budget variances may be found throughout the report. We will continue to closely monitor revenues and expenditures and keep you informed.

## SUMMARY

The General Fund overview provides a summary of financial activity through June 30, 2018. The Adopted Budget reflects the budget adopted by City Council on September 20, 2017 effective October 1 through September 30. The Amended Budget column reflects City Council approved transfers between funds and programs and approved use of contingency.

**Fund Balance.** The summary includes fund balance with the year-end revenue and expenditure forecasts. As of June 30, 2018, the Year-End Forecast beginning fund balance represents the FY 2016-17 audited unassigned ending fund balance and includes FY 2016-17 year-end savings.

**Revenues.** Through June 30, 2018, General Fund revenues are projected to be above budget by \$8.8 million primarily due to electric, fiber optic, and natural gas franchise fees; sales tax; interest, Fire Watch fees; and a new contract with the State Fair for patrol services.

**Expenditures.** Through June 30, 2018, General Fund expenditures are projected to be above budget by \$991,000. The primary driver of the overrun is greater than anticipated use of overtime by Dallas Fire-Rescue.

**Amendments.** The General Fund budget was amended on:

- October 25, 2017 by resolution #17-1652 in the amount of \$120,000 for a Regional Assessment of Fair Housing;

**4 Charges for Service.** Charges for services revenues are forecast to be 1.84 percent (\$1,934,000) greater than budget primarily due to \$1.4 million from Fire Watch inspection fees resulting from multiple hard freezes in the winter affecting sprinkler systems at various locations and a new agreement signed with State Fair for police patrol services in which FY 2017-18 received \$1.0 million in revenue for prior years State Fairs. Overages are offset by a decrease of \$758,000 in swimming pool fees due to the delayed opening of three aquatic centers. Charges for Services budgeted revenue was increased by \$1.3 million on April 25, 2018 by ordinance 30843 due to additional Emergency Ambulance supplemental payment revenue.

**5 Fines and Forfeitures.** Fines and forfeitures are projected to be 4.2 percent (\$1,238,000) under budget as a result of a decrease in parking citations issued due to staff turnover in the Parking Management and Enforcement division of Transportation (\$849,000); a decrease of 8,000 traffic citations over the same time period last year (\$578,000); and a decrease in forfeiture hearings due to compliance of bond terms by defendants (\$289,000).

theater automation system at the Dee and Charles Wyly Theatre.

Reimbursement from Atmos was greater than anticipated (\$1,120,000).

**8 Interest.** Interest earned revenues are projected to be 66.2 percent (\$1,335,000) over budget based on current trends.

**4 Capital Outlay.** Current year-end forecast is \$1.5 million over budget due primarily to vehicles purchased by Dallas Animal Services that will be reimbursed by an unbudgeted reimbursement, an approved purchase of a nuisance abatement brush truck using salary savings in Code Compliance, and the purchase of Gator vehicles by Code Compliance to better move in and out from alleys and back streets to clean litter, tires, and trash.

**5 Reimbursements.** General Fund reimbursements reflects contributions from various agencies, including federal and state funds, internal service fund departments, and enterprise fund departments. Current year-end forecasts are \$4.0 million greater than budget, primarily due to:

# VARIANCE NOTES

General Fund variance notes are provided below for departments with YE forecast variances of +/- five percent, departments with an Amended Budget, and for departments with YE forecast projected to exceed budget.

**1 City Auditor's Office.** City Auditor's Office expenditures are forecast to be \$270,000 below budget due to salary savings associated with vacancies.

**2 City Secretary.** City Secretary Office's budget was increased by \$265,000 on October 11, 2017 by CR#17-1608 for oversight and responsibility of the open records function transferred from the Office of Management Services (Public Affairs and Outreach). City Secretary Office's expenditures are forecast to be \$63,000 greater than budget primarily due to an office expansion needed to accommodate the new open records division.

**3 Civil Service.** Civil Service expenditures are forecast to be \$66,000 greater than budget due to a nationwide search for the vacant Civil Service Director position and replacement costs for damaged Civil Service Board Room audio and recording equipment.

**4 Dallas Fire-Rescue.** Dallas Fire-Rescue budget was increased by \$3.7 million on April 25, 2018 by ordinance 30843 for overruns in uniform overtime due to higher than expected attrition. Dallas Fire-Rescue expenditures are forecast to be \$10 million greater than budget primarily due to uniform overtime expenses. The primary factor of the greater than budgeted use of overtime includes the impact of attrition in prior fiscal years that has exceeded hiring which has affected mandatory minimum staffing. The department is reviewing options to reduce and/or defer expenses in order to reduce the impact of uniform overtime.

**5 Dallas Police Department.** Dallas Police Department budget was decreased by \$759,000 on January 17, 2018 by CR 18-0125 to reallocate Child Safety Funds held by the Dallas Police Department to Management Services (Office of Strategic Partnerships) and decreased by \$115,000 on April 25, 2018 by ordinance 30843 to transfer Parking Enforcement division overtime and merit funding to Transportation. Dallas Police Department expenditures are forecast to be \$4,471,000 below budget primarily due to hiring fewer officers than planned in FY 2017-18 and unplanned uniform attrition at the end of FY 2016-17.

**6 Housing and Neighborhood Services.** Housing and Neighborhood Services budget was increased by \$165,000 on April 25, 2018 by ordinance 30843 to fund a caseworker for the High Impact Landlord Initiative, additional home repair work at eight Home Repair Program properties and expenses associated with moving support staff from Bexar Street offices back to City Hall.

**7 311 Customer Services.** 311 Customer Services budget was increased by \$60,300 by City Council on April 25, 2018 by ordinance 30843 due to higher than expected usage of the Language Line, a third-party vendor that is used to translate calls for non-English speakers when bilingual 311 Customer Services agents are not available. 311 Customer Services is forecast to be \$219,000 under budget primarily due to salary savings from vacancies.

**14 Non-Departmental.** Non-Departmental budget was decreased by \$294,000 on April 25, 2018 by ordinance 30843 for mid-year appropriation adjustments. Non-Departmental expenditures are forecast to be \$642,000 less than budget primarily due to a delay in Master Lease draw for new equipment purchase which will occur in fall of FY 2018-19.

# VARIANCE NOTES

The Enterprise, Internal Service, and Other Funds summary includes the beginning fund balance with the YE revenue and expenditure forecasts. As of June 30, 2018, the Year-End Forecast beginning fund balance represents the FY 2016-17 audited ending fund balance. Variance notes are provided below for funds with a YE forecast variance of +/- five percent, funds with YE forecast projected to exceed budget, and funds with projected use of fund balance.

**1 Convention and Event Services.** Convention and Event Services budget was increased by \$1.6 million on April 25, 2018 by ordinance 30843 due to increased food and beverage expenses and by an offsetting \$3.4 million increase in catering service revenues. Convention and Event Services revenues are projected to exceed budget by \$3.2 million primarily due to greater than projected Hotel Occupancy Tax collections. Expenditures are projected to be \$5.1 million greater than budget primarily due to an increased food and beverage expenses fully offset by additional catering revenue.

**2 Municipal Radio.** Municipal Radio FY 2017-18 revenues are projected to be lower than budget by \$76,000 due a decrease in projected local radio advertisement sales. Local arts groups and small retailers (which account for the largest portion of local sales) have difficulty with the cost of media buys in DFW's large media market. Expenditures are projected to be \$147,000 below budget primarily due to hiring delays for four vacant positions.

**3 Sanitation Services.** Sanitation Services budget was increased by \$2.1 million on April 25, 2018 by ordinance 30843 for increased landfill disposal fees paid to Texas Commission on Environmental Quality (TCEQ), Equipment Services maintenance charges and master lease payments and by an offsetting \$4.6 million increase in landfill revenues. Sanitation Services revenues are projected to be \$2.5 million over budget primarily due to higher than anticipated residential collection revenues and increased non-contract landfill customer usage. Expenditures are projected to exceed budget by \$4.6 million primarily due to an additional transfer to the Sanitation capital improvement fund, increased landfill equipment usage and repair costs, increased fuel costs, and increased overtime and contracted labor expenses related to high truck driver turnover.

**4 Dallas Water Utilities.** Water Utilities expenditures are projected to be \$18.4 million less than budget due to a settlement of potential litigation with Sabine River Authority (SRA). The escrow payment savings will be used to minimize future rate increases. City Council was briefed on this topic in February 2018.

**5 Information Technology.** Information Technology expenditures will exceed revenue to fund an additional technology construction fund transfer using fund balance.

**6 Equipment Services.** Equipment Services budget was increased by \$475,000 on April 11, 2018 by ordinance for a fleet consultant study, and by \$1.2 million on April 25, 2018 by ordinance 30843. The amendment on April 25, 2018 was due to unbudgeted equipment maintenance charges for retained vehicles, increased motor pool use, and increased costs for make ready of new vehicles offset by a \$1.5 million increase in revenues. Equipment Services FY 2017-18 YE forecast expenditures will exceed revenue due to increased fuel cost and planned use of fund balance to fund a fleet consultant study.

**7 Express Business Center.** Express Business Center expenditures are projected to be \$1.6 million less than budget and revenues \$1.1 million less than budget primarily due to the transfer of the water bill printing services to Dallas Water Utilities (DWU) at the end of September 2017. Water bill printing services will be provided by a vendor and expensed in DWU.

**8 9-1-1 System Operations.** 9-1-1 System Operations budget was increased by \$1.7 million on April 25, 2018 by ordinance 30843 for a greater than budgeted \$1.7 million reimbursement to Dallas Fire Rescue. 9-1-1 System Operations FY 2017-18 YE forecast expenditures will exceed revenue due to planned use of fund balance.

**9 Debt Service Fund.** Debt Service Fund FY 2017-18 YE forecast revenues will exceed budget by \$4.4 million primarily due to property tax collections trending above average and greater than budgeted interest earnings.

# VARIANCE NOTES

**10 Employee Benefits.** Employee Benefits FY 2017-18 YE forecast expenditures are projected to be \$4.6 million below budget primarily due to lower than budgeted medical claim expenses for active employees.

**11 Risk Management.** Risk Management FY 2017-18 YE forecast expenditures are less than budget due to planned resolution of settlements in the current year moving to FY 2018-19 (\$6,363,000).
