Asset Forfeiture

Asset Forfeiture Overview

- Asset Forfeiture (AF) is a powerful tool used by law enforcement agencies against criminals and criminal organizations to deprive them of their ill-gotten gains through seizure of these assets
- AF has ancient roots but evolved dramatically in the U.S. during the Reagan Administration assisting law enforcement agencies fighting the war on drugs

10

Asset Forfeiture Overview, Cont.

- Today it is used to disrupt, dismantle, and deter those who prey on the vulnerable for financial gain, including criminal organizations, drug dealers, terrorist, and white-collar criminals
- AF is authorized under Federal Law (18 USC, 19 USC, 21USC) and Texas Law (CCP – Chapter 59)

11

Seizures

- The Dallas Police Department's role in asset forfeiture is only in **seizures**
- The Federal and State attorneys decide which cases they will adjudicate and which they will not

Seizures, Cont.

- **Due process** is afforded to any person making claim to the property that was seized within the respective governmental process if they choose to participate
- DPD receives notification from the respective government attorneys office when an award is made to us as a result of cases involving seizures

Seizures, Cont.

- **Seizure:** the forcible taking of property by government law enforcement from a person who is suspected of violating, or is known to have violated the law. ***The property seized is potential evidence in a criminal case***
 - Judge determines probable cause pursuant to a sworn application for a search warrant
 - Otherwise probable cause is found by an officer pursuant to an exception of the warrant requirement
 - **In either instance, the law requires that there be probable cause linking the asset directly to criminal activity**

14

All seizures made by the Dallas Police Department are completely in compliance with State and Federal laws

Narcotic Division's Seizures

- The Dallas Police Department utilizes both federal and state laws depending on which enforcement group develops a case
- Dallas Police federal task force officer cases involving seizures are adopted by the federal agencies they are assigned to
- Dallas Police detective cases involving seizures are filed under the State of Texas Code of Criminal Procedure

16

Equitable Sharing Program

- The Dallas Police Department participates in the Federal government equitable sharing program
- Proceeds of liquidated seized assets from asset forfeiture are shared between state and federal law enforcement authorities.

Equitable Sharing Program, Cont.

- A 1984 law set up the arrangement in which state and local police can share the seizures with federal agents
- **The City of Dallas urged Congress in 2016 to continue the program after it was suspended**

Confiscated Funds Accounts

- **State Confiscated Fund**

- Follow the State of Texas Chapter 59 Forfeiture Code
- City holds seized money in an escrow account until :
 - It is determined there is not enough evidence to file the case, so the money is returned
 - A ruling is made in Court and the City transfers funds to the State Confiscated fund per the Court ruling

- **Federal Confiscated Fund**

- Follow Equitable Sharing Rules and Regulations
- The Federal Government holds the seized money until a determination is made in court; and sends the City a check

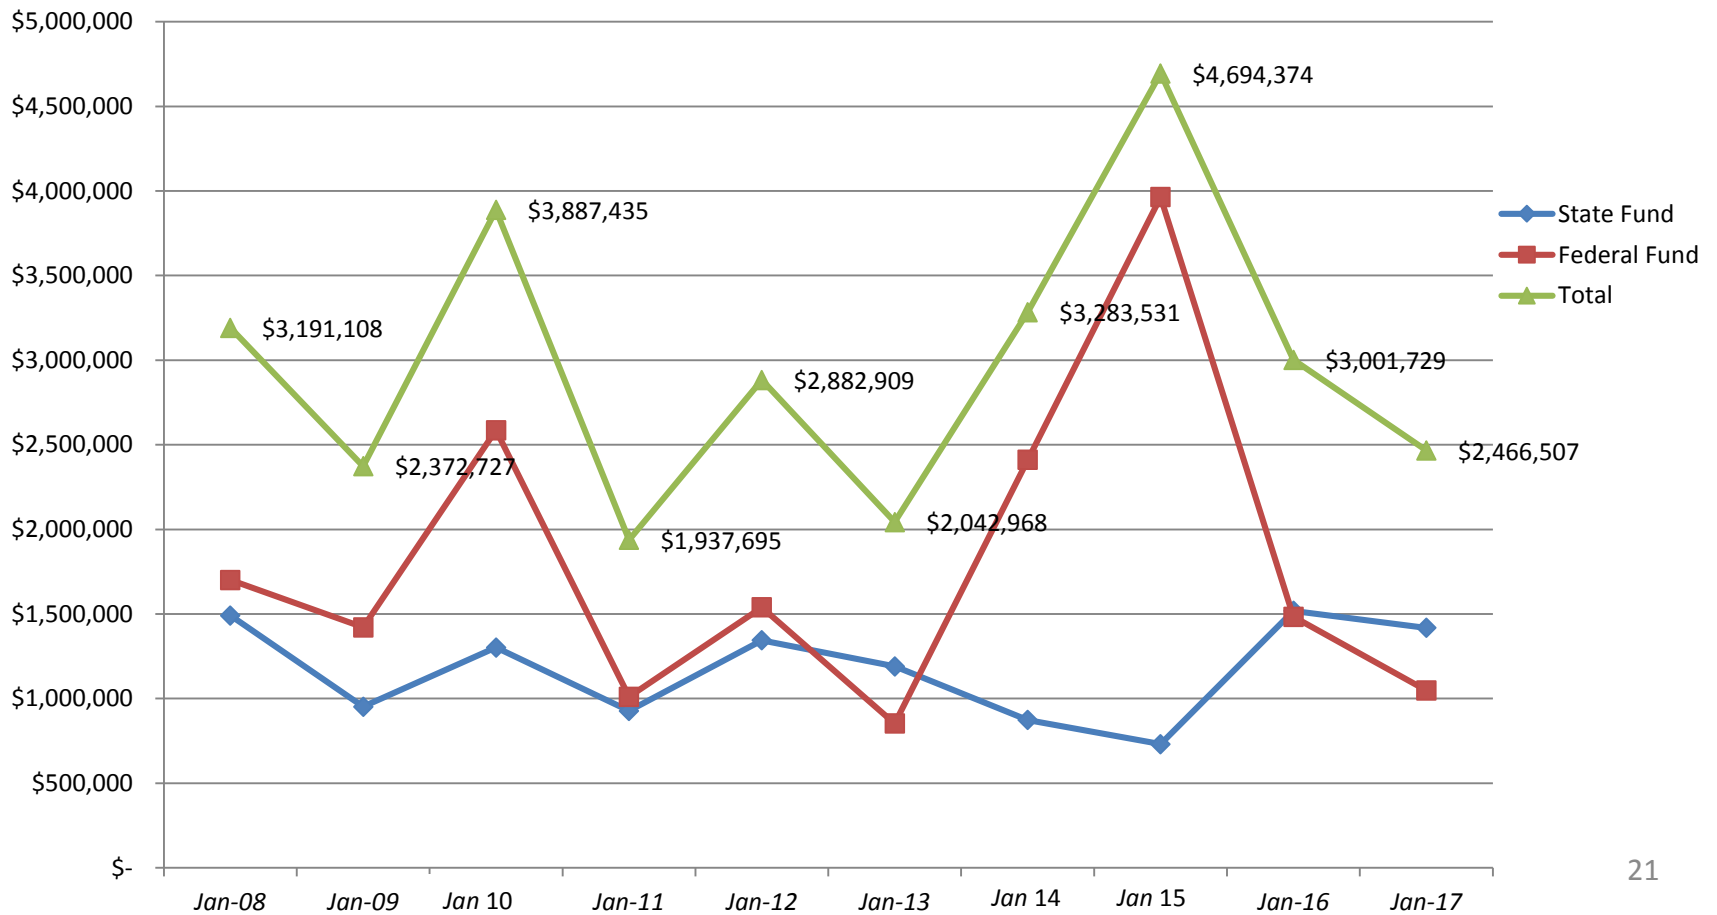

19

What Does it Fund?

Confiscated money funds:

- Covert Operations for Vice and Narcotics
- Reoccurring TAAG Costs
- Fusion Center
- Equipment expenses (i.e. Taser Purchase)
- Overtime
- Southwestern Institute of Forensic Sciences Contract

10-Year Confiscated Fund History

Summary

- Funds awarded are used to supplement, **NOT** supplant government budgets
- All seizure cases are reviewed by the prosecutors before being filed for asset forfeiture

Summary, Cont.

- Government must notify owners or potential owners of the seized property and process to make claim

On April 5, 2017, at approximately 4:59 a.m., Officers #1, #2, and #3 in full police uniforms and driving marked police vehicles responded to a burglary in progress at the Golden Chick located at 3701 West Northwest Highway. The suspect had broken into the business and called 9-1-1 stating she was still inside the business. Officers arrived at the location and set a perimeter around the business when they observed the suspect run out a side door. Officers followed the suspect on foot and in marked police vehicles, while instructing the suspect to stop. The suspect was walking quickly and refusing to obey officers' verbal commands. At this time, the suspect produced a large knife, brandishing at the officers, who maintained a wide distance. The suspect continued to walk away from the officers while making verbal threats that she would stab the officers with the knife. Officers #1 and #2 each fired their TASER at the suspect multiple times. The TASER was not effective against the suspect, who continued walking. The suspect then began raising the knife and charged toward Officer #3. Officer #3 fired two rounds from his duty weapon, striking the suspect. The suspect was transported to Parkland Memorial Hospital and is expected to recover from her injuries. No officers were injured.

SUBJECT **Upcoming Draft Agenda Item C: Authorize (1) an application for and acceptance of the "Click It or Ticket" Mobilization Grant in the amount of \$74,999 from the Texas Department of Transportation through a grant from the National Highway Traffic Safety Administration for a safety belt enforcement initiative for the period May 2, 2017 through June 10, 2017; (2) a City contribution of pension and Federal Insurance Contributions Act costs in the amount of \$21,713; (3) receipt and deposit of grant funds in an amount not to exceed \$74,999 in the "Click It or Ticket" Mobilization Grant Fund; (4) establishment of appropriations in an amount not to exceed \$74,999 in the "Click It or Ticket" Mobilization Grant Fund; and (5) execution of the sub-grant agreement - Total not to exceed \$96,712 - Financing: Current Funds (\$21,713) and Texas Department of Transportation Grant Funds (\$74,999)**

The Dallas Police Department (DPD) was the recipient of the Comprehensive STEP Grant for the current fiscal year from the Texas Department of Transportation. As a grant recipient, DPD is eligible for "wave" grants that are effective for particular times of the year and specific enforcement objectives. The "wave" grants are part of the national traffic safety plan and usually follow a public service campaign targeting a specific topic. DPD will conduct heightened enforcement of seat belt laws throughout the City of Dallas during the period of the grant.

The Traffic Section of DPD has utilized grant funding for safety initiatives for many years. Traffic fatalities through March 2017 are up approximately 8% compared to the same period in 2016. The Traffic Section's goal is to reduce traffic fatalities related to not wearing a seatbelt by 2% in 2016 which would be approximately three (3) fatalities.

The Dallas Police Department is seeking the support and recommendation from the Public Safety Committee to authorize the acceptance of this grant. This item will be placed on the April 26, 2017, City Council Agenda.
