**Action Taken/Committee Recommendation(s):**

CM Kingston objected to upcoming agenda item no. 27 regarding a payment to the Sheriff's Office for reimbursement of program expenses associated with the Dallas County Highway Traffic Program. He stated that we need to have some kind of contract with the Sheriff's Office to handle traffic safety issues on these stretches of highway. He would like to see alignment between the two agencies on how we are handling speed enforcement and that we need to make sure what we are doing isn't incentivizing another agency to do something we are not willing to do ourselves. Staff will communicate with Sheriff's Valdez's Office and discuss ideas and roles of the functions on those freeways to receive clarity and better understanding and report back to CM Kingston.

**Suspect:** (1) Hispanic Male

On May 12, 2017, at approximately 8:58 a.m., a deployment officer, wearing plain clothes, assigned to the Southwest Patrol Division was in the 8300 block of Reva Street looking for a wanted person. The individual being sought was also connected to an ongoing investigation in the Financial Crimes Unit. While searching the area, the deployment officer observed a female and two males sitting in a vehicle in front of the residence located at 8303 Reva Street. This location is where the wanted person was believed to reside. The female at the location matched the description of the wanted person. At this point, the deployment officer requested uniformed officers to identify the occupants of the vehicle.

Officers #1 and #2, wearing full uniforms and driving a marked police vehicle, responded to the request and made contact with the individuals in the vehicle. When Officer #1 made contact with the driver of the vehicle, the passenger seated in the back seat attempted to exit the vehicle. Officer #1 asked the suspect to remain in the vehicle but he refused to comply. Officer #2 removed the suspect from the vehicle and attempted to conduct a Terry Frisk for officer safety. The suspect began to resist and became physically confrontational. Officer #1 went to assist Officer #2 and during the course of the fight, Officer #1 deployed her TASER. The suspect continued fighting the officers and managed to take Officer #1's TASER. At that point, while the suspect was holding Officer #1's TASER, Officer #1 fired her weapon once, striking the suspect. The suspect was transported to Baylor Medical Center with a non-life threatening injury. Neither officer was injured as a result of this incident.

The suspect was in possession of multiple types of narcotics and has an active parole violation.

On November 9, 2015, at approximately 12:09 a.m., Officers #1, #2 and #3 were working in an off-duty capacity, in full police uniforms, at Kalua Discotheque, 2435 West Northwest Highway. The suspect was escorted from the club by an employee after causing a disturbance. The suspect retrieved his vehicle from the valet and while seated in the driver's seat, the officers made contact with him. The contact between the suspect and the officers was not confrontational. After making contact with the suspect, the officers began walking towards the rear of the parking lot. At this point, the suspect put his vehicle in reverse and backed straight into Officer #1. Officer #1 was able to get out of the way of the vehicle without being seriously injured. The suspect then turned his vehicle in the direction of Officer #2 and Officer #3. As the suspect turned the vehicle in the direction of Officer #2 and Officer #3, the suspect accelerated rapidly, running over Officer #3. The suspect then put the vehicle in reverse and ran over Officer #3 a second time. Officer #1 and Officer #2 discharged their duty weapons striking the suspect multiple times. The suspect drove a short distance through the parking lot crashing into a tree and a parked vehicle before being taken into custody.

Officer #3 was transported to Parkland Memorial Hospital by Dallas Fire and Rescue with multiple serious injuries. The suspect was also transported to Parkland Memorial Hospital with multiple gunshot wounds. The suspect is expected to survive.

On January 18, 2017, at approximately 4:56 a.m., Officers #1 and #2, in full police uniforms and driving a marked police vehicle, responded to a suspicious person called in the rear parking lot of an apartment complex located in the 4700 block of Eastside Avenue. The individual who called 9-1-1 provided the dispatcher a description of the vehicle. The vehicle information was passed on to the responding officers also noting that the vehicle showed to have been stolen out of Irving, TX.

As the officers approached the vehicle, giving loud verbal commands, the occupants ignored the commands and started the vehicle. The driver put the vehicle in reverse and drove a short distance, striking the marked police vehicle. The driver then drove forward, striking a chain link fence. When the fence did not give way, the driver reversed the vehicle a second time. Officers #1

and #2 discharged their firearm, through the passenger side window, striking the driver. The driver was transported to Baylor Medical Hospital by Dallas Fire-Rescue where the driver was pronounced deceased. No officers were injured.

The passenger in the vehicle was not struck by gunfire, but was injured from broken glass.

SUBJECT **Public Safety and Criminal Justice Committee Action Matrix**

Beginning with the August 14, 2017 Public Safety and Criminal Justice Committee Meeting, staff has created a committee action matrix to help better monitor and track requests and/or questions asked during committee meetings that will require staff follow-up. Hopefully this will provide the committee members a more reliable and consistent method to track the status of specific questions/requests, and will ensure that staff is accountable in their response. Staff is proposing that this matrix become a standard topic on future agendas, and will be updated as the list changes.

Please contact me if you have any questions or need additional information.
